Hi Alim,

The summons I received for lab# [REDACTED] is a marijuana that Lisa Glazer analyzed. There is another lab # associated with [REDACTED], in which Daniella Frasca was the primary chemist and I was the confirmatory chemist, would you like the notes, etc..for that one as well?

Thanks,

Hi Alim,

I received your summons for Comm vs. [REDACTED] (trial scheduled for Nov 10). Unfortunately, I am not available that day. I am not sure what Lisa Glazer's schedule looks like for that day but she was the primary chemist.

Thanks,
